Parks and Recreation Staff, with input and endorsement from the Parks and Recreation Advisory Committee, have established a scholarship program. This program is designed to assist families financially with league registration fees for spring and fall soccer, as well as winter basketball. Fees for these programs traditionally range from \$65-\$75 per child. The Parks and Recreation Department will be approaching area businesses to sponsor the scholarship program. Any individuals or businesses interested in sponsoring this program are encouraged to contact the Parks and Recreation Department for additional information.
