Article I. In General.

Sec. 15-1. Adoption of state law.

Pursuant to the authority of VA. CODE ANN. §46.2-1313 (Repl. Vol. 2017) and VA. CODE ANN. §1-220 (Repl. Vol. 2017), all of the appropriate provisions and requirements of the laws of the State contained in VA. CODE ANN. Title 46.2 (Repl. Vol. 2017 and Cum. Supp. 2018), in Article 9 of Chapter 11 of Title 16.1 of the Code of Virginia (VA. CODE ANN. §16.1-278 et seq.) (Repl. Vol. 2015 and Cum. Supp. 2018), and in Article 2 of Chapter 7 of Title 18.2 of the Code of Virginia (VA. CODE ANN. §18.2-266 et seq.) (Repl. Vol. 2014 and Cum. Supp. 2018), as in effect on July 1, 1997, and as amended thereafter, except those provisions and requirements the violation of which constitutes a felony, and except those provisions and requirements which by their very nature can have no application to or within the County, are hereby adopted and incorporated in this chapter by reference and made applicable within the County. Such incorporation by reference is specifically intended to include future amendments to the state statutes cited above.

References to "highways of the state" contained in such provisions and requirements hereby adopted shall be deemed to refer to the streets, highways and other public ways within the County. Such provisions and requirements are hereby adopted, mutatis mutandis, and made a part of this chapter as fully as though set forth at length herein.

It shall be unlawful for any person, within the County to violate or fail, neglect or refuse to comply with any provision of said Code of Virginia which is adopted by this section; provided, that in no event shall the penalty imposed for the violation of any provision or requirement hereby adopted exceed the penalty imposed for a similar offense under said Title 46.2, Article 9 of Chapter 11 of Title 16.1 or Article 2 of Chapter 7 of Title 18.2 of the Code of Virginia. (11-15-82) (9-8-87)(3-21-89)

For state law authority, see VA. CODE ANN. §15.2-1429 (Repl. Vol. 2018) and §46.2-1313 (Repl. Vol. 2017). See VA. CODE ANN. §46.2-341.18 (Repl. Vol. 2017), especially subdivision A.2. therein, in regard to commercial driver's licenses. See also VA. CODE ANN. §46.2-341.28 (Repl. Vol. 2017), VA. CODE ANN. §18.2-270 (Repl. Vol. 2014) and VA. CODE ANN. §18.2-268.12 (Repl. Vol. 2014).

Editor's notes--"Mutatis mutandis" is a Latin phrase meaning "with the necessary changes in points of detail". VA. CODE ANN. §1-220 (Repl. Vol. 2017) authorizes localities that are incorporating state statutes into a local ordinance by reference to specifically provide that such incorporation by reference includes future amendments to such state statutes. The necessary language has been added to this section as the last sentence in the first paragraph. However, it should also be noted that VA. CODE ANN. §46.2-1313 (Repl. Vol. 2017) states that "Local authorities may adopt ordinances incorporating by reference the appropriate provisions of state law before the effective date of such state law; provided that such local ordinances do not become effective before the effective date of the state law."

Sec. 15-8.1. Parking in spaces reserved for persons with disabilities - Requirements and regulations.

(a) (1) It shall be unlawful for a vehicle not displaying disabled parking license plates, an organizational removable windshield placard, a permanent removable windshield placard,

or a temporary removable windshield placard issued under VA. CODE ANN. §46.2-1241 (Repl. Vol. 2017), or DV disabled parking license plates issued under subsection B of VA. CODE ANN. §46.2-739 (Repl. Vol. 2017) to be parked in a parking space reserved for persons with disabilities that limit or impair their ability to walk or that create a concern for their safety while walking, as defined in VA. CODE ANN. §46.2-1240 (Repl. Vol. 2017), or for a person who is not so limited or impaired in his ability to walk to park a vehicle in a parking space so designated except when transporting a person with such a disability in the vehicle.

(2) In accordance with VA. CODE ANN. §46.2-1241 E. (Repl. Vol. 2017), organizational removable windshield placards, permanent removable windshield placards and temporary removable windshield placards shall be displayed in such a manner that they may be viewed from the front and rear of the vehicle and be hanging from the rearview mirror of a vehicle utilizing a parking space reserved for persons with disabilities that limit or impair their ability to walk. When there is no rearview mirror, the placard shall be displayed on the vehicle's dashboard. No placard shall be displayed from the rearview mirror while a vehicle is in motion.

(b) Parking a vehicle in a space reserved for persons with disabilities in violation of subsection (a) hereof shall be punishable by a fine of not less than \$100.00 nor more than \$500.00 for its violation, which fine shall be assessed and retained by the County of Campbell. If there is a placard within a vehicle utilizing a parking space reserved for persons with disabilities, but that placard is not displayed as required pursuant to VA. CODE ANN. §46.2-1241 E (Repl. Vol. 2017), the fine assessed may be not less than \$10.00 nor more than \$100.00, which fine shall be assessed and retained by the County of Campbell.

(c) A summons or parking ticket for such offense may be issued by law-enforcement officers and other uniformed personnel employed by Campbell County to enforce parking regulations without the necessity of a warrant being obtained by the owner of the private parking area. The requirements of VA. CODE ANN. §46.2-941 (Repl. Vol. 2017) shall be satisfied prior to issuance of a summons for a violation of this section. Any person receiving a citation or parking ticket pursuant to this section may waive his right to appear and be formally tried for the offense. Such waiver may be effected as specified in §15-8.1:1 of this Code.

(d) All parking spaces reserved for the use of persons with disabilities that limit or impair their ability to walk shall be identified in accordance with the provisions of VA. CODE ANN. §36-99.11 (Repl. Vol. 2014).

(e) (1) Pursuant to VA. CODE ANN. §46.2-1245 (Repl. Vol. 2017), the disabled person, vehicle owner, or volunteer for an institution or organization to which disabled parking license plates, organizational removable windshield placards, permanent windshield placards, or temporary removable windshield placards are issued or any person to whom disabled parking license plates have been issued under subsection B. of VA. CODE ANN. §46.2-739 (Repl. Vol. 2017) shall be allowed to park the vehicle on which such license plates or placards are displayed for up to four (4) hours in metered or unmetered parking zones restricted as to length of parking time permitted and shall be exempted from paying parking meter fees of any county, city, or town.

(2) This subsection shall not apply to any local ordinance which creates zones where stopping, standing, or parking is prohibited, or which creates parking zones for special types

of vehicles, nor shall it apply to any local ordinance which prohibits parking during heavy traffic periods, during specified rush hours, or where parking would clearly present a traffic hazard.

(3) This subsection shall apply within Campbell County unless prescribed otherwise by ordinance duly adopted by the Campbell County Board of Supervisors acting pursuant to VA. CODE ANN. §46.2-1245 C. (Repl. Vol. 2017). Should Campbell County adopt such an ordinance, the County shall indicate by signs or other reasonable notice that the provisions of VA. CODE ANN. §46.2-1245 (Repl. Vol. 2017) do not apply in the County or designated portion thereof.

(f) In accordance with VA. CODE ANN. §46.2-1246 (Repl. Vol. 2017), the owner or duly authorized agent of the owner of a parking space properly designated and clearly marked as reserved for use by persons with disabilities that limit or impair their ability to walk may have any vehicle not displaying disabled parking license plates, organizational removable windshield placards, permanent removable windshield placards, temporary removable windshield placards, or DV disabled parking license plates removed from the parking space and stored. The owner of a vehicle which has been removed and stored may regain possession of his vehicle on payment to the person or persons who removed and stored the vehicle all reasonable costs incidental to the removal and storage. The owner of the vehicle, on notice to the owner or duly authorized agent of the owner of the parking space, may also petition the general district court having jurisdiction over the location where the parking occurred for an immediate determination as to whether the removal of the vehicle was lawful. If the court finds that the removal was unlawful, the court shall direct the owner of the parking space to pay the costs incidental to the removal and storage of the vehicle and return the vehicle to its owner.

(g) (1) In any prosecution charging a violation of this section, proof that the vehicle described in the complaint, summons, parking ticket, citation, or warrant was parked in violation of this section, together with proof that the defendant was at the time the registered owner of the vehicle, as required by VA. CODE ANN. §46.2-600 et seq. (Repl. Vol. 2017 and Cum. Supp. 2018), shall constitute prima facie evidence that the registered owner of the vehicle was the person who committed the violation.

(2) No violation of this section shall be dismissed for a property owner's failure to comply strictly with the requirements for disabled parking signs set forth in VA. CODE ANN. §36-99.11 (Repl. Vol. 2014), provided the space is clearly distinguishable as a parking space reserved for persons with disabilities that limit or impair their ability to walk.

(h) (1) Pursuant to the authority of VA. CODE ANN. §46.2-1247 through §46.2-1253 (Repl. Vol. 2017), both inclusive, all of the appropriate provisions, requirements, and penalties contained in VA. CODE ANN. §46.2-1247 (Repl. Vol. 2017), §46.2-1248 (Repl. Vol. 2017), §46.2-1249 (Repl. Vol. 2017), §46.2-1250 (Repl. Vol. 2017), §46.2-1251 (Repl. Vol. 2017), §46.2-1252 (Repl. Vol. 2017), and §46.2-1253 (Repl. Vol. 2017) are hereby adopted and incorporated in this section by reference and made applicable within Campbell County. Such incorporation by reference is specifically intended to include future amendments to the state statutes cited above.

(2) Pursuant to VA. CODE ANN. §46.2-1256 (Repl. Vol. 2017), upon the entry of a conviction under VA. CODE ANN. §46.2-1247 through §46.2-1253 (Repl. Vol. 2017), or under any ordinance which incorporates any of those sections by reference, the court shall send

notice of the conviction and the number of the license plate or placard involved to the Commissioner of the Department of Motor Vehicles of the Commonwealth. Such notice may be transmitted by electronic means.

(3) Pursuant to VA. CODE ANN. §46.2-1256 (Repl. Vol. 2017), upon receiving notice pursuant to the preceding paragraph, the Commissioner may revoke any disabled parking license plate, DV disabled parking license plate, organizational, permanent, or temporary placard of an individual or organization found guilty under VA. CODE ANN. §46.2-1247 through §46.2-1253 (Repl. Vol. 2017) or this subsection, if he finds, after a hearing is requested by the person to whom the license plate or placard is issued, that such person (i) is not a person with a disability that limits or impairs his ability to walk or that creates a concern for his safety while walking and is not otherwise eligible to be issued a license plate or a placard pursuant to VA. CODE ANN. §46.2-731 (Repl. Vol. 2017), §46.2-739 (Repl. Vol. 2017), or §46.2-1241 (Repl. Vol. 2017), or (ii) is authorized to have such license plate or placard but has allowed the abuse or misuse of the privilege granted thereby so that revocation appears appropriate to remedy the abuse or misuse.

(i) In accordance with VA. CODE ANN. §46.2-1258 (Repl. Vol. 2017), disabled parking license plates, permanent removable windshield placards, temporary removable windshield placards, and DV disabled parking license plates issued by other states and countries for the purpose of identifying vehicles permitted to use parking spaces reserved for persons with disabilities that limit or impair their ability to walk shall be accorded all rights and privileges accorded vehicles displaying such devices in Virginia.

For state law authority, see VA. CODE ANN. §46.2-1240 *et seq.* (Repl. Vol. 2017), especially §46.2-1242 (Repl. Vol. 2017), §46.2-1247 through §46.2-1253 (Repl. Vol. 2017) and §46.2-1256 (Repl. Editor's note.-- VA. CODE ANN. §46.2-1247 through §46.2-1253 (Repl. Vol. 2017) authorize, but do not require, any locality to adopt an ordinance or ordinances incorporating the provisions of those sections, or any of them, by reference. Such incorporation by reference is effected by adoption of paragraph (1) of subsection (h) of this section. The incorporated sections proscribe activities which involve fraud, misuse, and/or abuse as to disabled parking privileges and/or the indicia of such privilege, and prescribe that violations shall be punishable as a Class 2 misdemeanor, except for wrongfully providing a disabled parking license plate or placard (VA. CODE ANN. §46.2-1253 (Repl. Vol. 2017)), which shall be punishable as a Class 3 misdemeanor. For penalties for misdemeanors, see VA. CODE ANN. §18.2-11 (Repl. Vol. 2014).

[THE FEBRUARY 2, 1998 AMENDMENT, in (a), inserted "or its authorized agent" following "by the County" and substituted "the County or its authorized agent" for "the County through its authorized agent" in the first sentence, and inserted "and" following clause (ii) in the second sentence.]

[THE DECEMBER 7, 2009 AMENDMENT rewrote the section in conformance with changes to the state code, renamed it and eliminated requirement for notice of publication.]

Sec. 15-25.1 Vehicle Removal Certificates.

The person in possession of an abandoned motor vehicle shall obtain from the Department of Motor Vehicles in a manner prescribed by the Commissioner, a Vehicle Removal Certificate at no fee. The vehicle may be sold or transferred to a licensee or a scrap metal processor, as defined in VA. CODE ANN. §46.2-1600 (Repl. Vol. 2017) and §46.2-1200 (Repl. Vol. 2017).

If the person in possession of an abandoned motor vehicle desires to obtain title to the vehicle, that person shall post notice for at least 21 days of his intent to auction the motor vehicle. Postings of intent shall be in an electronic manner prescribed by the Commissioner who shall also ensure that written notice of intent is provided in public locations throughout the Commonwealth. If the Department confirms a lien, the person proposing the sale of the motor vehicle shall notify the lienholder of record, by certified mail, at the address of the certificate of title of the time and place of the proposed sale 10 days prior thereto.

A purchaser of the motor vehicle may apply for a title upon payment of the applicable fees and taxes, and by supplying the Department with the completed Vehicle Removal Certificate and the

transcript from the Department that indicates that the Department has no record of the abandoned motor vehicle.

For state law authority, see VA. CODE ANN. §46.2-1202.1 (Repl. Vol. 2017).

[THE DECEMBER 7, 2009 ACT adopted this section.]

Sec. 15-26. Sale of vehicle at public auction; disposition of proceeds.

If an abandoned motor vehicle is not reclaimed as provided for in §15-25 of this Code, the County or its authorized agent shall, notwithstanding the provisions of VA. CODE ANN. §46.2-617 (Repl. Vol. 2017), sell it at public auction. For the purposes of this section, the term “public auction,” when conducted by a county, shall include an Internet sale by auction. The purchaser of the motor vehicle shall take title to the motor vehicle free of all liens and claims of ownership of others, shall receive a sales receipt from the sale, and shall be entitled to apply to and receive from the Department of Motor Vehicles a certificate of title and registration card for the vehicle. The sales receipt from the sale shall be sufficient title only for purposes of transferring the vehicle to a demolisher for demolition, wrecking, or dismantling, and in that case no further titling of the vehicle shall be necessary; however, such demolisher shall provide the Department acceptable documentation indicating that the vehicle has been demolished. From the proceeds of the sale of an abandoned motor vehicle the County or its authorized agent shall reimburse itself for the expenses of the auction, the cost of towing, preserving, and storing the vehicle which resulted from placing the abandoned motor vehicle in custody, and all notice and publication costs incurred pursuant to §15-25 of this Code. Any remainder from the proceeds of a sale shall be held for the owner of the abandoned motor vehicle or any person having security interests in the vehicle, as their interests may appear, for sixty (60) days, and then be deposited into the treasury of the County.

For state law authority, see VA. CODE ANN. §46.2-1203 (Repl. Vol. 2017).

Editor's note: VA. CODE ANN. §46.2-617 (Repl. Vol. 2017), referred to in this section, concerns the sale of a vehicle without the certificate of title as constituting a Class 3 misdemeanor.

[THE 1989 ACT adopted this section.]

[THE DECEMBER 6, 2004 AMENDMENT added the proviso language beginning “however, such demolisher . . .” at the end of the third sentence and inserted “(90)” in the last sentence.]

Sec. 15-27. Reserved.

Sec. 15-28. Disposition of inoperable abandoned vehicles.

(a) For the purposes of this section, “demolisher” has the meaning ascribed to it in VA. CODE ANN. §46.2-1600 (Repl. Vol. 2017).

(b) Notwithstanding any other provisions of this article, any inoperable motor vehicle, trailer, semitrailer, or part of a motor vehicle, trailer, or semitrailer which has been taken into custody pursuant to other provisions of this article may be disposed of to a demolisher, without the title and without the notification procedures, by the person or the County on whose property or in whose possession the motor vehicle, trailer, or semitrailer is found. Such demolisher shall be properly licensed under the provisions of VA. CODE ANN. §46.2-1600 et seq. (Repl. Vol. 2017). The demolisher, on taking custody of the inoperable abandoned motor vehicle shall notify the Department of Motor Vehicles on forms and in the manner prescribed by the Commissioner of the Department of Motor Vehicles. Notwithstanding any other provision of law, no other report or notice shall be required in this instance.

For state law basis, see VA. CODE ANN. §46.2-1205 (Repl. Vol. 2017) and §46.2-1201 (Repl. Vol. 2017).

[THE 1989 ACT adopted this section.]

[THE DECEMBER 2, 2014 AMENDMENT added subsection (a) and the subsection (b) designation, and in subsection (b) added the second sentence.]

Sec. 15-29. Surrender of certificate of title, etc., where motor vehicle acquired for demolition; records to be kept by demolisher or scrap metal processor.

(a) No demolisher or scrap metal processor who purchases or otherwise acquires a motor vehicle for wrecking, dismantling, or demolition shall be required to obtain a certificate of title for the motor vehicle in his own name. After the motor vehicle has been demolished, processed, or changed so that it physically is no longer a motor vehicle, the demolisher or scrap metal processor shall surrender to the Department of Motor Vehicles for cancellation the certificate of title, Vehicle Removal Certificate, properly executed vehicle disposition history, or sales receipt from a foreign jurisdiction for the vehicle. The Department shall issue the appropriate forms and regulations for the surrender of sales receipts, certificates of title, vehicle disposition histories, and vehicle removal certificates.

(b) Demolishers and scrap metal processors shall keep accurate and complete records, in accordance with VA. CODE ANN. §46.2-1608 (Repl. Vol. 2017), of all motor vehicles purchased or received by them in the course of their business. Demolishers and scrap metal processors shall also collect and verify:

1. The towing company’s name;
2. One of the ownership or possession documents set out in this section following verification of its accuracy;
3. The driver’s license of the person delivering the motor vehicle; and
4. The license plate number of the vehicle that delivered the motor vehicle or scrap.

(c) In addition, a photocopy or electronic copy of the appropriate ownership document or a Vehicle Removal Certificate presented by the customer shall be maintained. Ownership

documents shall consist of either a motor vehicle title or a sales receipt from a foreign jurisdiction or a vehicle disposition history. These records shall be maintained in a permanent ledger in a manner acceptable to the Department at the place of business or at another readily accessible and secure location within the Commonwealth for at least five years. The personal identifying information contained within these records shall be protected from unauthorized disclosure through the ultimate destruction of the information. Disclosure of personal identifying information by anyone other than the Department is subject to the Driver's Privacy Protection Act (18 U.S.C. §2721 et seq.)

(d) If requested by a law enforcement officer, a licensee shall make available, during regular business hours, a report of all the purchases of motor vehicles. Each report shall include the information set out in this chapter and be available electronically or in an agreed-upon format. Any person who violates any provision of this Article or who falsifies any of the information required to be maintained by this Article shall be guilty of a Class 3 misdemeanor for the first offense. Any licensee or scrap metal processor who is found guilty of second or subsequent violations shall be guilty of a Class 1 misdemeanor. The Department shall also assess a civil penalty not to exceed \$500 for the first offense and \$1,000 for the second and subsequent offenses. Those penalties shall be paid into the state treasury and set aside as a special fund to be used to meet the expenses of the Department.

(e) If the vehicle identification number has been altered, is missing, or appears to have been otherwise tampered with, the demolisher or scrap metal processor shall take no further action with regard to the vehicle except to safeguard it in its then-existing condition and shall promptly notify the Department. The Department shall, after an investigation has been made, notify the demolisher or scrap metal processor whether the motor vehicle can be freed from this limitation. In no event shall the motor vehicle be disassembled, demolished, processed, or otherwise modified or removed prior to authorization by the Department. If the vehicle is a motorcycle, the demolisher or scrap metal processor shall cause to be noted on the title or salvage certificate, certifying on the face of the document, in addition to the above requirements, the frame number of the motorcycle and motor number, if available.

For state law basis, see VA. CODE ANN. §46.2-1206 (Repl. Vol. 2017).

[THE DECEMBER 4, 2012 AMENDMENT deleted “and, if applicable, the license number issued to the towing company by the Virginia Board for Towing and Recovery Operators” from subsection 1, added subdivision 4, and deleted the first sentence of (c).]

Sec. 15-30. Certification of disposal; reimbursement of County by Commissioner of Department of Motor Vehicles.

(a) On certification by the County on forms provided by the Department of Motor Vehicles that an inoperable abandoned motor vehicle left on property within the County has been disposed of as provided in §15-28 of this Code or that an inoperable motor vehicle has been removed from the vehicle owner's property and disposed of by the County or its authorized agent, the Commissioner of the Department of Motor Vehicles shall reimburse the County fifty dollars for

each such motor vehicle disposed of at the expense of the County. These reimbursements shall be made from appropriations made in the state general appropriations act.

(b) The Commissioner of the Department of Motor Vehicles shall promulgate regulations concerning requirements for such reimbursements, which shall include, but not be limited to, the requirement that the identification number or motor number of the vehicle for which reimbursement is sought shall be furnished, or an acceptable reason why that number is not furnished shall be provided.

(c) No reimbursement shall be made to the County for vehicles which it acquires from sources outside its jurisdiction nor for vehicles it receives from dealers engaged in the business of dismantling used automobiles.

For state law basis, see VA. CODE ANN. §46.2-1207 (Repl. Vol. 2017). See also VA. CODE ANN. §46.2-1201 and §46.2-1205 (Repl. Vol. 2017).

Editor's note: VA. CODE ANN. §46.2-1207 (Repl. Vol. 2017) provides that when the state appropriation is insufficient to satisfy requests for reimbursement, payments shall be made in chronological order on the basis of the date on which the request was received. No payments, however, shall be made for requests received on any date until adequate funds are available to pay all requests received on that date.

[THE 1989 ACT adopted this section.]

[THE 1990 AMENDMENT deleted "an abandoned vehicle fund which shall consist of" following "reimbursements shall be made from" and "to the fund" preceding "in the state general appropriations act" in the last sentence of (a).]

Article IV. Immobilized and Unattended Vehicles.

Sec. 15-32. Temporary removal and disposition of vehicles involved in accidents.

Whenever a motor vehicle, trailer, or semitrailer involved in an accident is so located as to impede the orderly flow of traffic, a County law enforcement officer or other uniformed employee of the Sheriff who specifically is authorized to do so by the Sheriff or his designee may (i) at no cost to the owner or operator remove the motor vehicle, trailer, or semitrailer to some point in the vicinity where it will not impede the flow of traffic or (ii) have the vehicle removed to a storage area for safekeeping and shall report the removal to the Department of Motor Vehicles of the Commonwealth and to the owner as promptly as possible. If the vehicle is removed to a storage area under clause (ii), the owner shall pay to the parties entitled thereto all costs incidental to its removal and storage.

For state law, see VA. CODE ANN. §46.2-1212 (Repl. Vol. 2017).

[THE 1992 AMENDMENT inserted the designation "(i)" and added clause (ii) in the first sentence and added the second sentence.]

[THE DECEMBER 4, 2012 AMENDMENT added “or other uniformed employee of the Sheriff who specifically is authorized to do so by the Sheriff or his designee” in the first sentence.]

Sec. 15-33. Removal and disposition of unattended or immobile vehicles.

(a) Any motor vehicle, trailer, semitrailer, or parts thereof, shall be removed for safekeeping to a storage area if:

1. It is left unattended on a public highway or other public property and constitutes a traffic hazard;
2. It is illegally parked;
3. It is left unattended for more than ten days either on public property or on private property without the permission of the property owner, lessee, or occupant;
4. It is immobilized on a public roadway by weather conditions or other emergency situation.

(b) Removal shall be carried out by or under the direction of the Sheriff of Campbell County, or other uniformed employee of the Sheriff who specifically is authorized to do so by the Sheriff or his designee. However, there shall be no removal of motor vehicles, trailers, semitrailers, and parts thereof from private property without the written request of the owner, lessee, or occupant of the premises. The person at whose request the motor vehicle, trailer, semitrailer, or part of a motor vehicle, trailer, or semitrailer is removed from private property shall indemnify the County against any loss or expense incurred by reason of removal, storage, or sale thereof. It shall be presumed that such motor vehicle, trailer, semitrailer, or part thereof is abandoned if: (i) it lacks either a current license plate; or a current county, city or town license plate or sticker; or a valid state safety inspection certificate or sticker; and (ii) it has been in a specific location for four days without being moved.

(c) As promptly as possible, each removal shall be reported to the Campbell County Sheriff's Office and to the owner of the motor vehicle, trailer, or semitrailer.

(d) Before obtaining possession of the motor vehicle, trailer, semitrailer, or part thereof, the owner shall pay to the County or other party entitled thereto all costs incidental to its removal and storage and locating the owner. If the owner fails or refuses to pay the cost or if his identity or whereabouts is unknown and unascertainable after a diligent search has been made, and after notice to him at his last known address and to the holder of any lien of record with the office of the Department of Motor Vehicles against the motor vehicle, trailer, semitrailer, or part of a motor vehicle, trailer, or semitrailer, the vehicle shall be treated as an abandoned vehicle under the provisions of VA. CODE ANN. §46.2-1200 et seq. (Repl. Vol. 2017) and of Article III of this chapter of the Campbell County Code.

(a) No person shall leave any motor vehicle, trailer, semitrailer, or part of a motor vehicle, trailer, or semitrailer on the private property of any other person without his consent. On complaint of the owner of the property on which such motor vehicle, trailer, semitrailer, or part thereof has been left for more than seventy-two hours, that such motor vehicle, trailer, semitrailer, or part thereof, may be removed by or under the direction of a law-enforcement officer or other uniformed employee of the Sheriff who specifically is authorized to do so by the Sheriff or his designee to a storage area. Owners of private property which is normally open to the public for parking shall post or cause to be posted signs warning that vehicles left on the property for more than seventy-two hours will be towed or removed at their owner's expense. The person at whose request the vehicle, trailer, semitrailer, or part thereof is so removed shall indemnify the County against any loss or expense incurred by reason of removal, storage, or sale thereof, and an agreement to so indemnify the County shall be a specific condition precedent to removal of any such motor vehicle, trailer, semitrailer, or part thereof, from private property as aforesaid.

(b) In the case of the removal of a motor vehicle, trailer, semitrailer, or part of a motor vehicle, trailer, or semitrailer from private property, when it cannot be readily sold, the motor vehicle, trailer, semitrailer, or part may be disposed of in whatever manner the County Board of Supervisors may provide.

(c) In all other respects, the provisions of §15-33 of this Code shall apply to these removals. Disposal of a motor vehicle, trailer, or semitrailer may at the option of the governing body of the county, city or town, be carried out under either the provisions of §15-33 of this Code, or under the provisions of this section after a diligent search for the owner, after notice to him at his last known address and to the holder of any lien of record in the office of the Department of Motor Vehicles against the motor vehicle, trailer, or semitrailer, and after the motor vehicle, trailer, or semitrailer has been held at least sixty days.

Article V. Unlicensed Motor Vehicle Fee.

Sec. 15-36. Unlicensed motor vehicle fee--Purpose; fee imposed; amount; license year; due date.

(a) Recognizing that unlicensed motor vehicles are more likely to be junk vehicles than are licensed vehicles and that unlicensed motor vehicles are more likely to create safety, health, and aesthetic problems than are licensed vehicles, the Campbell County Board of Supervisors, pursuant to the authority granted by VA. CODE ANN. §15.2-973 (Repl. Vol. 2018), does hereby impose an annual license fee of twenty-seven dollars (\$27.00) per motor vehicle on owners of motor vehicles located in Campbell County which do not display current State license plates and which are not exempted from the requirements of displaying such license plates under the provisions of §15-37 of this Code or as specified in VA. CODE ANN. §15.2-973 (Repl. Vol. 2018). The license year with respect to which the fee required to be paid under this article is assessed shall be January 1 through December 31 of each year. The fee assessed under this article shall be assessed to the owner of each unlicensed motor vehicle as provided in this article for motor vehicles owned on January 1 of each year.

(b) The license fee imposed by this section shall be paid to the County Treasurer on or before December 5 of each calendar year.

(c) Reserved.

(d) It shall be presumed that the owner of the motor vehicle is the person on whose land the motor vehicle is located unless otherwise shown (10-17-73, §1)(11-15-82)(11-21-83)(3-21-89)

(e) Reserved.

CODE ANN. §46.2-734 (Repl. Vol. 2017) and VA. CODE ANN. §46.2-755 A 7 (Repl. Vol. 2017).

Editor's note.-- For case law establishing that the unlicensed motor vehicle tax or fee imposed by this section shall apply to unlicensed motor vehicles as defined in §15-36 of this Code, whether operable or inoperable, unless specifically exempted by the provisions of §15-37 of this Code or unless otherwise licensed under other provisions of this chapter, see Duke v. County of Pulaski, 219 Va. 428 (247 S.E.2d 824) (1978), which case is summarized in the editor's notes following §15-37 of this Code. See also §15-44 of this Code.

[THE MARCH 17, 1997 ACT adopted this section, incorporating some provisions of former §15-21, rewrote former (a) and part of (b) and increased the license tax from twenty dollars to twenty-five dollars.]

[THE SEPTEMBER 19, 2005 AMENDMENT substituted “fee” for “tax” throughout the section; in (a), substituted “twenty-seven dollars (\$27.00)” for “twenty-five dollars (\$25.00)” in the first sentence and added the second and third sentences; substituted “December 5” for “April 15” in (b), deleted former (c) concerning the display of license decal, and inserted (e) containing transitional provisions effective for 2006 license year only, which provisions will automatically expire on or before December 5, 2006.]

[THE DECEMBER 4, 2006 AMENDMENT deleted subsection (e) which had contained transitional provisions applicable only to the 2006 license year.]

Sec. 15-37. Same. - Exemptions.

(a) The following classifications of motor vehicles shall be exempted from the unlicensed motor vehicle fee imposed by §15-36 of this Code:

(1) Vehicles exempted from the requirements of displaying current license plates under the provisions of:

(i) VA. CODE ANN. §46.2-662 et seq. (Repl. Vol. 2017) (Article 6 of Chapter 6 of Title 46.2); or

(ii) VA. CODE ANN. §46.2-1554 (Repl. Vol. 2017), regarding movement of motor vehicles by manufacturer to place of shipment or delivery; or

(iii) VA. CODE ANN. §46.2-1555 (Repl. Vol. 2017), regarding movement of motor vehicles by dealers to salesrooms, etc; or

(2) Vehicles in a public dump; or

(3) Vehicles in an automobile graveyard, as defined in §15-48 of this Code and VA. CODE ANN. §33.2-804 (Repl. Vol. 2014); or

- (4) Vehicles in the possession of a licensed junk dealer; or
- (5) Vehicles in the possession of a licensed motor vehicle dealer; or
- (6) Any vehicles which are stored on private property for the purpose of restoration or repair or for removing parts for the repair of another vehicle; or
- (7) Any vehicles being held or stored by or at the direction of any governmental authority; or
- (8) Any vehicles personally owned or leased, in whole or in part, by a member of the armed services of the United States on active duty. For the purposes of this section "the armed services of the United States" includes active duty service with the regular Armed Forces of the United States or the National Guard or other reserve component; or
- (9) Any vehicles regularly stored within a structure; or
- (9A) Any motor vehicle, trailer, or semitrailer that is inoperable and unlicensed pursuant to VA. CODE ANN. §46.2-755 A 7 (Repl. Vol. 2017); or
- (10) Any vehicle that is exempted by state law from requirement to display a State license plate.

(b) While vehicles described in subsection (a) of this section shall be exempted from the unlicensed motor vehicle fee imposed by §15-36 of this Code, these motor vehicles are not necessarily exempt from the Campbell County Zoning Ordinance (Chapter 22 of this Code), the provisions of §15-40 et seq. of this Code, or any other provision of this Code prohibiting or limiting the number of unlicensed or inoperative motor vehicles in certain areas of the County.

For state law authority, see VA. CODE ANN. §15.2-973 (Repl. Vol. 2018).

Editor's notes.--VA. CODE ANN. §46.2-662 et seq. (Repl. Vol. 2017) pertains to licensing exemptions for backhoes, certain vehicles used for spraying fruit trees and for other agricultural, horticultural, or farm purposes, farm machinery and tractors, tractors and other vehicles used in harvesting, sawmill, mining, quarrying, or commercial fishing operations, golf carts, self-propelled wheelchairs, forklifts, snowmobiles, vehicles used for fire-fighting, lifesaving, first aid or rescue, machinery used for highway purposes, traction engines, all-terrain vehicles, off-road motorcycles, etc.

In Duke v. County of Pulaski, 219 Va. 428, 247 S.E.2d 824 (1978), the Supreme Court of Virginia examined a similar ordinance, enacted pursuant to authority of former VA. CODE ANN. §15.1-27.1 [now VA. CODE ANN. §15.2-973 (Repl. Vol. 2018)]. While the Court conceded that not all unlicensed vehicles are junk, it recognized that "unlicensed vehicles are much more likely to be junk vehicles than are licensed vehicles. And unlicensed vehicles are far more likely to create safety, health, and aesthetic problems than are licensed vehicles." (at p. 434). Thus, the Court found that a distinction drawn between licensed and unlicensed motor vehicles is neither unreasonable nor arbitrary. The Court then examined exemptions in the ordinance (which included all those found in §15-37 of this Code, except for (a)(6) which was not then a part of the Pulaski County Code). The exemptions were upheld as constitutional because the classifications created have a rational basis and are reasonably related to the purpose of the ordinance. Furthermore, the fact that "every possible exemption which could be justified is not provided for does not invalidate the ordinance in its application to one occupying a non-exempt status". (at p. 437). Finally, the Court held that

Duke, the owner of four unlicensed vehicles, two of which were acknowledged to be otherwise operable, was subject to the unlicensed motor vehicle tax imposed by that ordinance.

[THE MARCH 17, 1997 ACT adopted this section, incorporating in (a) all of the exemptions from former §15-21(a) as well as those exemptions previously set out in (a) and (c) of former §15-22, added subsection (a)(10), added subsection (b), and deleted former (d), which provisions are now found at §15-36(d).]

[THE SEPTEMBER 19, 2005 AMENDMENT substituted “fee” for “tax” throughout the section, and in (a)(8), substituted “personally owned or leased, in whole or in part” for “owned” and “armed services of the United States” for “armed forces” in the first sentence, and added the second sentence.]

[THE DECEMBER 3, 2007 AMENDMENT added subsection (a)(9A).]

[THE DECEMBER 3, 2013 AMENDMENT deleted “for a period not in excess of sixty (60) days” and added “restoration or repair or for” in (a)(6).]

Sec. 15-38. Reserved.

Editor’s note: The September 19, 2005 amendment deleted this section which had provided a grace period for purchasers of new or used vehicles and certain resident owners of vehicles registered in other state or country.

Sec. 15-39. Penalty for violations.

(a) It shall be unlawful for any owner or operator of a motor vehicle to fail to pay the license fee required by this article.

(b) A violation of this section shall constitute a Class 4 misdemeanor and, upon conviction, shall be punished by a fine not exceeding \$250.00. In the case of a motor vehicle registered to a resident of the locality where such vehicle is registered, local law-enforcement officers may issue citations, summonses, parking tickets, or uniform traffic summonses for violations.

(c) A violation of this section by the registered owner of the vehicle shall not be discharged by payment of a fine imposed under subsection (b) hereof, except upon presentation of satisfactory evidence that the required license fee has been paid.

For state law authority, see VA. CODE ANN. §15.2-973 (Repl. Vol. 2018) and §46.2-752G (Cum. Supp. 2018). For penalty for misdemeanor, see §1-6 of this Code. See also VA. CODE ANN. §15.2-1429 (Repl. Vol. 2018) and §18.2-11 (Repl. Vol. 2014).

[THE MARCH 17, 1997 ACT adopted this section.]

[THE SEPTEMBER 19, 2005 AMENDMENT, in (a), substituted “pay the license fee” for “obtain and display the license” following “fail to” and deleted “or to display upon such motor vehicle such license after its expiration date” at the end of the subsection; and, in (c), substituted “fee has been paid” for “has been obtained.”]

Article VI. Regulations Restricting the Keeping of Inoperable Motor Vehicles.

Sec. 15-40. Purpose of article; definitions.

(a) The purpose of this article is to restrict the keeping of inoperable motor vehicles on any property within the County zoned for residential, business, industrial, or agricultural purposes so as to prevent the safety, health, and aesthetic problems which are likely to arise when inoperable vehicles are allowed to deface the landscape as derelicts.

(b) As used in this article, the following definitions shall apply:

- (1) "Inoperable motor vehicle" means any motor vehicle, trailer or semitrailer which:
 - (i) is not in operating condition; or
 - (ii) for a period of sixty (60) days or longer has been partially or totally disassembled by the removal of tires and wheels, the engine, or other essential parts required for operation of the vehicle; or
 - (iii) on which there are displayed neither valid license plates nor a valid inspection decal.

A motor vehicle which meets any one of the descriptions listed at items (i) through (iii) above shall be deemed to be an inoperable motor vehicle for the purposes of this article.

- (2) As used in this article, notwithstanding any other provision of law, general or special, "shielded or screened from view" means not visible by someone standing at ground level from outside of the property on which the subject vehicle is located.
- (3) "Visible" means capable of being seen without visual aid by a person of normal visual acuity.

(a) The owners of property zoned for residential, business, industrial, or agricultural purposes shall, at such time or times as the County Board of Supervisors may prescribe, remove therefrom any such inoperable motor vehicles, trailers or semitrailers that are not kept within a fully enclosed building or structure.

(2) In the event the Board of Supervisors, through its own agents or employees, removes any such motor vehicles, trailers or semitrailers, after having given such reasonable notice, Campbell County may dispose of such motor vehicles, trailers or semitrailers after giving additional notice to the owner of the vehicle.

(3) The cost of any such removal and disposal shall be chargeable to the owner of the vehicle or premises and may be collected by Campbell County as taxes are collected.

(4) Every cost authorized by this section and VA. CODE ANN. §15.2-904 (Repl. Vol. 2018) with which the owner of the premises has been assessed shall constitute a lien against the property from which the vehicle was removed, the lien to continue until actual payment of such costs shall have been made to Campbell County.

(5) This civil remedy and the criminal remedy of §15-45 of this Code shall be deemed to be cumulative, and not mutually exclusive. (8-15-89)

(c) Notwithstanding the other provisions of this section, if the owner of such vehicle can demonstrate that he is actively restoring or repairing the vehicle, and if it is shielded or screened from view, the vehicle and one additional inoperative motor vehicle that is shielded or screened from view and being used for the restoration or repair may remain on the property.

Sec. 15-47. Reserved.

Article VII. Automobile Graveyards and Junkyards.

For state law authority, see VA. CODE ANN. §15.2-903 (Repl. Vol. 2018). For County zoning ordinance, see Chapter 22 of this Code.

Sec. 15-48. Purpose of article; definitions.

(a) The purpose of this article is to establish certain standards and procedures regulating and restricting the establishment, operation, and maintenance of automobile graveyards and junkyards within Campbell County, in conjunction with the provisions of Chapter 22 (Zoning) of the Campbell County Code of 1988, and under the authority of VA. CODE ANN. §15.2-903 (Repl. Vol. 2018).

(b) For the purposes of this article, the following definitions shall apply:

(1) "Automobile graveyard" shall mean any lot or place which is **exposed to the weather** and upon which **more than five (5)** motor vehicles of any kind that are **incapable of being operated, and which it would not be economically practical to make operative**, are placed, located or found. The movement or rearrangement of vehicles within an existing lot or facility does not render this definition inapplicable. The provisions established by this Article shall begin with the first day that the vehicle is placed on the subject property.

(2) "Junk" shall mean old or scrap copper, brass, rope, rags, batteries, paper, trash, rubber, debris, waste, or junked, dismantled, or wrecked automobiles, or parts thereof, iron, steel, and other old or scrap ferrous or nonferrous material; excluding hazardous, infectious or toxic materials.

(3) "Junkyard" shall mean an establishment or place of business which is maintained, operated, or used for storing, keeping, buying, or selling junk, or for the maintenance or operation of an automobile graveyard. (9-8-87)

(4) "Motor vehicle" shall mean any vehicle as defined in VA. CODE ANN. §46.2-100 (Cum. Supp. 2018).

(5) “Visible” shall mean capable of being seen without visual aid by a person of normal visual acuity.

For state law authority, see VA. CODE ANN. §15.2-903 (Repl. Vol. 2018). For definitions, see VA. CODE ANN. §33.2-804 (Repl. Vol. 2014).

Cross-references.--For provisions regulating and restricting the keeping of **inoperable motor vehicles**, see §15-40 et seq. of this Code. For provisions regulating **unlicensed motor vehicles**, see §15-36 et seq. of this Code. For provisions regulating **abandoned vehicles**, see §15-23 of this Code. For state law regulating and restricting the establishment, operation, and maintenance of **junkyards** in areas adjacent to the highways within this Commonwealth, see VA. CODE ANN. §33.2-804. For state law regarding the **storage of certain unlicensed, operable or inoperable, reconstructed or specially constructed, vehicles by a bona fide hobbyist**, as defined therein, upon his own property, subject to certain screening and other requirements, and also subject to local zoning ordinances, see VA. CODE ANN. §46.2-734.

Editor's note.--It should be noted that this article applies to an "automobile graveyard," as defined herein, *whether or not the activity is operated for profit or as a business.*

[THE MARCH 17, 1997 ACT adopted this section, incorporating provisions of former §14-17, added (a), and designated existing provisions as (b), added therein "excluding hazardous, infectious or toxic materials" at the end of paragraph 2, deleted "and the term shall include garbage dumps and sanitary fills" at the end of paragraph 3, deleted former paragraphs 4, 5, and 6, which defined "Interstate system," "Primary highway" and "Visible," and added present paragraph 4.]

[THE JULY 5, 2005 AMENDMENT, in (b) 1., inserted “that are” preceding “**incapable**” in the first sentence and added the second and third sentences; and added the definition of “Visible” in (b) 5.]

Sec. 15-49. License required.

It shall be unlawful for any person to establish, operate or maintain an automobile graveyard or junkyard, as defined in §15-48 of this Code, or to engage in activities which constitute establishment, operation or maintenance of an automobile graveyard or junkyard under the definitions in §15-48 of this Code, without first obtaining a license therefor, issued under authority of this article by the Commissioner of the Revenue of the County, and paying the annual license tax imposed by §15-52 of this Code.

For state law authority, see VA. CODE ANN. §15.2-903 (Repl. Vol. 2018).

Editor's note.--This article, in conjunction with Chapter 22 (Zoning) of this Code, regulates automobile graveyards and junkyards, subjecting them not only to the licensing and license tax requirements of this article, but also to the special use permit requirements and other requirements imposed by Chapter 22 of this Code. Establishment, operation, or maintenance of an automobile graveyard or junkyard is a permitted use *requiring a special use permit* in both Industrial zoning districts (M-1) and Agricultural zoning districts (A-1), or may continue as a valid nonconforming use if qualified as such under §§22-7 et seq. of this Code.

[THE MARCH 17, 1997 ACT adopted this section, which supersedes permit requirements formerly found at §14-19 of this Code.]

[THE MAY 17, 1999 AMENDMENT deleted “firm or corporation” following “any person.”]

Sec. 15-50. Special use permit prerequisite to issuance of license; renewal of license; nonconforming uses.

(a) No license required under this article shall be issued by the Commissioner of the Revenue unless the license applicant first has been issued a special use permit after having met requirements set forth in Chapter 22 of this Code, and presents proof thereof.

(b) An applicant for renewal of the license issued under this article shall certify, as part of the license application, that the required special use permit continues in effect and has not lapsed due to noncompliance with conditions attached thereto or for other reasons.

(c) Where an applicant for a license established an automobile graveyard or junkyard prior to July 1, 1985, and has operated that automobile graveyard or junkyard continuously since that time, notwithstanding a discontinuance for two (2) years or less, the applicant shall certify, as part of the license application, that such nonconforming use continues in effect. The Commissioner of the Revenue may require further documentation from the applicant or the Zoning Administrator regarding the continuance of a nonconforming use. The provisions of §22-7 through §22-8 of this Code shall be controlling as to determination of the status of a nonconforming use and all other matters related to the nonconforming use. However, pursuant to the provisions of VA. CODE ANN. §15.2-903 B. (Repl. Vol. 2018), the screening requirements of §15-50.1 of this Code shall apply to any automobile graveyard or junkyard within the County of Campbell *regardless of the date* on which any such automobile graveyard or junkyard may have come into existence.

(d) Issuance of a special use permit shall be subject to the provisions of Chapter 22 of this Code, and all other applicable provisions of federal, state, and local laws or ordinances, and furthermore, shall be subject to the screening requirements of §15-50.1 of this Code.

For state law authority, see VA. CODE ANN. §15.2-903 (Repl. Vol. 2018).

[THE MARCH 17, 1997 ACT adopted this section.]

[THE JULY 2, 2001 AMENDMENT, in (c), substituted "two (2) years or less" for "less than twelve (12) consecutive months" and deleted "(thus constituting a non-conforming use under §22-7 and §22-8 of this Code)" in the first sentence, and substituted "§22-7 through §22-8" for "§22-7 and §22-8" in the third sentence.]

[THE JULY 5, 2005 AMENDMENT added the last sentence in (c) and the last clause in (d), beginning “and furthermore.”]

Sec. 15-50.1. Screening required; limited exception where impractical due to topography.

(a) Automobile graveyards or junkyards located in the County of Campbell shall be screened by natural objects, plantings, fences, or other appropriate means so as not to be visible from the main-traveled way of a highway, street, or road, or otherwise removed from sight. Such automobile graveyards or junkyards shall be enclosed with a nontransparent, vertical wall, hedge or

fence of a minimum height of eight (8) feet measured from ground level. Such screening devices or screening structures shall be of a uniform type and height and shall be adequately maintained so as to meet the intent of this section. The contents of an automobile graveyard or junkyard shall not be placed or deposited to a height greater than the height of the hedge, fence, or other screening structure required by this section.

(b) The screening requirements of this section shall apply to any automobile graveyard or junkyard now existing or hereafter established within the County of Campbell *regardless of the date* on which any such automobile graveyard or junkyard may have come into existence, notwithstanding the provisions of VA. CODE ANN. §33.2-804 (Repl. Vol. 2014).

(1) In the case of the proposed establishment of a new automobile graveyard or junkyard, locations of screening measures shall be clearly marked on the site plan and an attached description shall include a detailed list of the materials to be used, plant species and height or size at time of planting. Such screening shall be designed and executed in a manner suited to the particular site, as determined by the Zoning Administrator, as a part of the site plan review.

(2) In all cases, the landowner and business owner may both be held responsible for ensuring the proper installation and maintenance of approved screening devices/measures so as to provide permanent screening as required by this section.

(c) The screening requirements of this section shall not apply where the topography of the surrounding area is such that all surrounding points from which the premises or portion thereof can be seen are at a higher elevation than the automobile graveyard or junkyard to the point that the screening devices or screening structures required by this section would not materially reduce the visibility of the automobile graveyard or junkyard.

For state law authority, see VA. CODE ANN. §15.2-903 (Repl. Vol. 2018) and VA. CODE ANN. §33.2-804 (Repl. Vol. 2014).

[THE JULY 5, 2005 ACT adopted this section.]

Sec. 15-51. License application; due date; information required.

(a) Each person subject to a license tax under this article shall apply for a license prior to beginning business or engaging in the activities regulated by this article if he was not subject to licensure in Campbell County on or before January 1 of the license year, or no later than May 1 of the license year if he had been issued a license for the preceding year. The license period shall extend for the entire calendar year and the annual license tax shall not be pro-rated for any part of the subject period.

(b) Issuance of a license shall be subject to the requirements of §15-50 of this Code, and all other applicable provisions of this Code, particularly Chapter 22, and state and federal law.

(c) Application for a license shall be made to the Campbell County Commissioner of the Revenue upon a form prescribed by him and shall include, but not be limited to, the following information:

 - (iv) Position or title of person making application on behalf of a firm or corporation.

- (3) All applicants shall provide the following information:

[THE MAY 17, 1999 AMENDMENT deleted “firm, or corporation” following “person” in (a).]

[THE DECEMBER 7, 2009 AMENDMENT substituted “May” for “March” in (a), to be effective January 1, 2010.]

Sec. 15-52. License tax imposed.

(a) There is hereby imposed upon any person that shall establish, operate, or maintain an automobile graveyard or junkyard, as defined in §15-48 of this Code, or shall engage in the activities regulated by this article, an annual license tax of one hundred dollars (\$100.00).

(b) A separate license and payment of a separate license tax shall be required for each definite place of business and for each business.

(c) The license tax shall be assessed and paid with the license application, and shall not be pro-rated for any fraction of any calendar year. (9-8-87)

For state law authority, see VA. CODE ANN. §15.2-903 (Repl. Vol. 2018).

Editor’s note.--The license tax under this section is a license tax specifically authorized under VA. CODE ANN. §15.2-903 (Repl. Vol. 2018) and is not a fee or tax imposed under the authority of VA. CODE ANN. §58.1-3703 (Repl. Vol. 2017). Therefore, the uniform ordinance provisions set forth at §14-3 of this Code do not apply to this article.

[THE MARCH 17, 1997 ACT adopted this section, incorporating provisions of former §14-17.1, imposing same license tax, but making it payable, along with license application, to the Commissioner of the Revenue, rather than to the Treasurer; and changed the due date of the license application and license tax from January 31 to March 1 for a license renewal or prior to beginning business for an initial license.]

[THE MAY 17, 1999 AMENDMENT deleted “firm, or corporation” following “any person” in (a)].

Sec. 15-53. Penalty for violation of article.

(a) Any person that establishes, operates or maintains an automobile graveyard or junkyard or that engages in the activities regulated by this article without the license required or violates any other provision of this article shall be guilty of a misdemeanor, and upon conviction thereof, shall be subject to confinement in jail for not more than twelve months and a fine of not more than \$2,500.00, either or both. Each violation shall constitute a separate offense.

(b) The penalties prescribed by this article shall be in addition to any penalties imposed for violation of Chapter 22 of this Code.

(c) Imposition of a penalty prescribed hereunder for a violation of this article shall not preclude the County of Campbell from enjoining a continuing violation of any provision of this article by proceedings for an injunction and/or other incidental relief, brought in any court in Campbell County having jurisdiction to grant such relief.

For state law authority, see VA. CODE ANN. §15.2-903 (Repl. Vol. 2018) and VA. CODE ANN. §15.2-1429 (Repl. Vol. 2018), and §18.2-11 (Repl. Vol. 2014). See also VA. CODE ANN. §8.01-620 (Repl. Vol. 2015).

(c) This section shall not apply to in-service emergency vehicles, taxicabs for hire, buses, and other vehicles being used for business purposes.

(d) (1) Where there is a violation of any provision of this section, a law-enforcement officer shall charge such violation on the uniform traffic summons form. Any person violating this ordinance shall, upon conviction, be subject to a fine of twenty-five dollars (\$25.00).

(2) Any person convicted of a second or subsequent violation of this ordinance may be punished by a fine of not less than fifty dollars (\$50.00) nor more than one hundred dollars (\$100.00) for each succeeding violation. No assignment of demerit points shall be made under VA. CODE ANN. §46.2-489 et seq. (Repl. Vol. 2017) for any violation of the ordinance.
