

It's easy to find a provider online

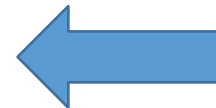

Step one: To find a medical provider near you – go to anthem.com - or use the Sydney mobile app and select FIND CARE.

Find a doctor

Anthem lets you choose from quality doctors and hospitals that are part of your plan. Our Find a Doctor tool helps identify the ones that are right for you.

Step two: Use our Select a plan feature if searching for a medical provider before your medical coverage has started.

Select a plan for basic search

Find out if a doctor, hospital, or other care provider is in-network for the plan selected.

Step three Enter medical for the type of care. Enter your state. Enter Medical (Employer-Sponsored) for the type of plan. Select the type as Anthem HealthKeepers POS (Select Network) as the plan/network you want to search. Then press Continue.

Select a plan for basic search

Select the type of plan or network

Care Providers for Behavioral Health & Substance Use Disorder Services are listed under Medical plan or network.

Select the state where the plan or network is offered. (For employer-sponsored plans, select the state where your employer's plan is contracted in. Most of the time, it's where the headquarters is located.)

Select how you get health insurance

Select a plan or network

Or use this option for searching providers outside of Virginia:

Select a plan or network

Step four Enter your Zip Code. Then click on the type of provider you are looking for – then click ENTER. A list of providers will appear.

Please enter a location.
