

You Count in Campbell County ! Census 2010

Campbell County Complete Count Committee

Why should citizens participate in the 2010 Census?

1. It's easy and free!

The census form contains ten simple questions for you to answer; simply fill it out and mail it in by April 1. There's no cost to you for postage!

2. It's important!

Conducting a complete census each decade is mandated by the U.S. Constitution. Information gained from census data is used to allocate federal funding to states and localities. It is also used to adjust voting districts by population.

3. It's safe and confidential!

Information gained from your census form is kept in the strictest confidence under federal law.

REMEMBER!

- ◆ Census forms will be mailed to citizens between March 15 and March 17, 2010.
- ◆ Citizens are asked to return census forms in the mail by April 1, 2010.
- ◆ Responding by mail eliminates the need for a census worker to visit your home.
