**Sheriff Gaddy:**

I am writing regarding the service and assistance provided to me by Lieutenant Fairchild on Thursday, December 3<sup>rd</sup>.

I, embarrassingly, ran out of gas on 460. As we exited the vehicle on our walk to the gas station, Lieutenant Fairchild came to my rescue.

I want you to know that not only was he courteous and polite, but he conducted himself in a very professional manner. He was very understanding in listening to me while I dealt with my frustrations. He is a credit to your Department.

Attached is a check made out to the Campbell County Sheriff's Office. I request that a contribution to be made in Lieutenant Fairchild's name to the Deputy Memorial Fund.

I want Lieutenant Fairchild to know how much I appreciate his kindness and understanding. He turned what could have been a bad situation into a good day to remember.

Sincerely,

  
R. F. Haynie
