Sec. 1-1. How Code designated and cited.

The ordinances embraced in this and the following chapters and sections shall constitute and be designated “The Code of the County of Campbell, Virginia of 1988.” Such Code may be cited as “Campbell County Code of 1988.”

For authority of county to codify ordinances, see [Va. Code §15.2-1433](#). As to admissibility of Code as evidence in courts, see last paragraph of [Va. Code §15.2-1433](#). As to authority for nonsubstantive changes or corrections, see [Va. Code §15.2-1433](#) at second paragraph and also [Va. Code §30-149](#).

Editor’s Note: Unmistakable clerical errors, misspellings and other unmistakable errors may be corrected editorially, as may consequential changes in the titles of officers, agencies, or departments made necessary by usage in statutes or ordinances of such titles, terminology and references. Unmistakable errors in cross-references to federal, state, or local statutes or ordinances that have become outdated or incorrect due to subsequent amendment to, revision, or repeal of the sections to which reference is made may be corrected editorially. Any chapter, article, division, section heading, catchline, or table within this Code may be renumbered, renamed, or rearranged within this Code when it is deemed necessary because of any disturbance or interruption of orderly or consecutive arrangement. Such nonsubstantive corrections, as well as mere updating of citations to the Code of Virginia, are not described in a separate amendment note following the affected section. However, all such minor amendments have been clearly designated in the proposed texts of affected ordinances available to the public at the time of publication of notice of the Board of Supervisors’ intention to consider adoption of such proposed amendments and have been duly adopted by the Board of Supervisors as part of the regular updating of the Campbell County Code of 1988. In the event that a Title in the Code of Virginia has been repealed and re-enacted with renumbering and substantive revisions of sections therein, a separate amendment note will be placed in this Code to indicate the change in state authority.
