

Bank Local, with Your Local Credit Union!

The approval of Federal Credit Union Charter Number 14623 on August 8, 1961 allowed for Lynchburg Municipal Employees Federal Credit Union (LMEFCU) to help promote financial services and security for its membership.

Originally chartered to serve employees of the City of Lynchburg and their immediate families, we are now a multiple common bond credit union, that still believes the way to acquire new members is through one organization at a time. Our credit union has served its members for 58 years with this same philosophy.

We offer a wide variety of services to our members to meet their financial needs. Over the past 20+ years we have been giving back to our membership with a loan interest refund to say "thank you" for your support. We will continue to strive to meet the needs of our members.
